July 13, 2017

Notice to Residents,

The State of NH will be doing road construction on Route 132: starting Tuesday July 18, weather permitting, the State of NH DOT will be having Pike Industries doing a spot milling/paving on Route 132 starting from the junction of Route 3/132 in Tilton, running northerly on Route 132 to the intersection of Perley Hill Road. There will be line grinding done by L&D Safety Marking Corporation on Wednesday and Thursday July 19 and 20. The following week Nicom will come in and crackfill the road. The following week of July 31, All States Asphalt will be coming in and laying down a rubberized chip seal product. There will flaggers directing traffic where the construction is taking place.

Please use caution during the duration of this project. Thank you and your patience during construction would be appreciated.

Sincerely,

Brian M. Bordeau  
286-8252  
Director, Dept. Of Public Works  
Town of Sanbornton
