until 4:30 PM local time, on 01/17/18. Bids delivered after this deadline will not be accepted. Bids will be publicly opened and read aloud on 01/17/18 at 5:00 PM at the Town Hall, 573 Sanborn Road in Sanbornton, NH. Each bidder will submit one (1) original and three (3) copies of the proposal. All information shall be submitted in a sealed envelope, clearly identified on the outside by the words "LOWER BAY ROAD RECONSTRUCTION – NHDOT PROJECT NO. 29744".

The project work involves the reconstruction of Lower Bay Road, beginning at its intersection with Bay Road to the south, and extending northerly approximately 4,450 LF to a point just south of its intersection with Upper Smith Road. The work includes, but is not necessarily limited to: removal and replacement of road gravels and pavement; the reconstruction of driveway approaches; the construction of a trench drain along the west side to intercept overland and groundwater flows from the high ground to the west; the construction of an underdrain system on the east side; the construction of catch basins, manholes, storm drain piping and stone protection at outfalls; ditching; retaining walls; road curbing and back curbing; slope stabilization; turf establishment with humus and loam; landscaping and underground utility conduits. All of the work shall be done in accordance with contract documents (which include plans) prepared by *HOLDEN TRANSPORTATION ENGINEERING*, Bedford, New Hampshire (603-472-2078).

Contract documents may be examined, but not obtained, at the following locations on or after **12/27/17**:
