

Sanbornton Town Park Committee

Mission

The mission of the Sanbornton Town Park Committee, serving as an advisory committee to the Sanbornton Board of Selectmen, is to review, identify and recommend present and future recreation Town Park projects, and to ensure the Sanbornton Town Park will continue to serve as a valuable asset to Sanbornton residents of all ages.

SHORT TERM GOALS

1. Review the Town Park Master Plan, dated May 1, 2010, and identify the progress of the plan's proposed projects.
2. Identify the boundary between the town park and the transfer station in planning for future park expansion as identified in the Town Park Master Plan.
3. Identify projects which can be accomplished within the next year and facilitate the completing of these projects.
4. Assess whether the park is meeting the identified recreation needs of the community taking into account residents of all ages.
5. Seek out potential volunteer, fund raising activities and funding resources for future projects.

LONG TERM GOALS

1. Update the Town Park Master Plan.
2. Facilitate the process toward initiating and completing the following projects as identified by the Mater Plan:
 - A. Build an outdoor winter skating rink.
 - B. Construct a recreation building to provide for equipment storage, restrooms, coordinator office and community room.
 - C. Build a multipurpose sports court (basketball, tennis, pickle ball)

MEMBERSHIP

Committee membership will be comprised of the Recreation Coordinator, at least two Recreation Commission members, a representative from the Planning Board and three

community members. A Town Highway Department representative should be involved when projects involve the department.

Initially, the committee will meet monthly and as needed depending on the projects being addressed.
